Write a Letter

Sample Letter

Dear Dr. Bowling,

I was saddened to learn that the ancestors of the Muskogee (Creek) Nation remain in storage at Auburn University instead of with their people.

Every person deserves dignity in life and in death. These ancestors and their funerary objects should be returned home where they can finally rest.

Please return them to the Muskogee (Creek) Nation.

Sincerely,

Your Name & State

Send to

Dr. Cynthia Bowling
Professor and Associate Dean of
Research and Faculty Development
Auburn University
